

## NEW! ONYX NOVA 90 FIBERGLASS DOORS

### *Onyx*

Whether you prefer the charm of a Modern Farmhouse or elegant simplicity, our new Onyx Fiberglass doors are the ideal choice when you seek enduring beauty and breathtaking entryways.

These resilient onyx pigmented fiberglass doors provide you with the contemporary allure of a black door while eliminating the necessity for frequent upkeep or painting.

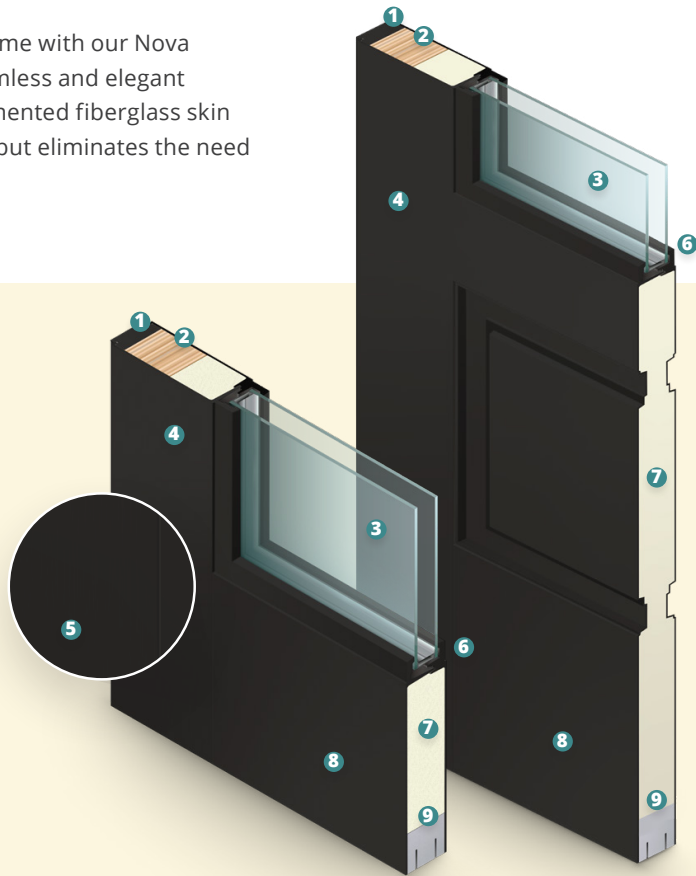

# ONYX NOVA 90

Enhance the aesthetics and natural lighting of your home with our Nova series, featuring direct glazed glass that creates a seamless and elegant design. Take a step further with our durable onyx pigmented fiberglass skin that gives you the contemporary look of a black door, but eliminates the need for frequent maintenance or painting.

# ONYX NOVA 90 SDL

*Realize unlimited possibilities with our SDL bar offering.*

Onyx 3/4-Lite Low-E (LE) doors are available with 1-1/8" SDL bars. The simulated divided lites are the ideal choice for Modern Farmhouse, Craftsman, Contemporary and traditional building styles. All doors provide the low maintenance benefit of our Onyx series and feature a brushed surface and direct glazed glass.

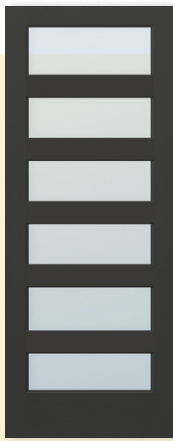

**Please note**, the direct glazed insulated glass does not have internal spacer bars between the glass panes.

## 6'8" & 8'0" DOORS AND SIDELIGHTS WITH 1-1/8" SDL BARS

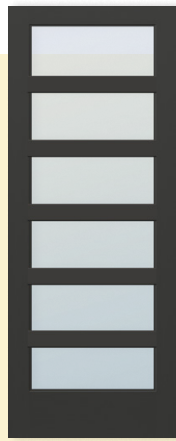

Nova 90 Onyx  
DRS1S80-506-B

6-Lite with 5" SDL Bars  
Direct Glazed Low-E or  
Direct Glazed Translucent

Nova 90 Onyx  
DRS1S80-306-B

6-Lite with 3-1/2" SDL Bars  
Direct Glazed Low-E or  
Direct Glazed Translucent

These Onyx doors come with a choice of **Low-E (LE)** or **Translucent (TRLE)** direct glazed glass. Our new 3-1/2" & 5" wide SDL bar options allow you to create a wide variety of door designs and provide a solution for today's contemporary residential and commercial architecture. These doors are constructed with aesthetics, energy efficiency and low maintenance in mind.

Our Onyx Full Lite Nova 90 doors are available in 2'0" through 3'6" with a 6'8" height and Low-E glass. Translucent glass is available for 2'8" and 3'0" doors.

For a memorable impression, choose our 3'6" x 8'0" Translucent glass designs. These doors are truly awe inspiring! For an even larger system consider a double door system built with our 3'0" x 8'0" doors.

Please contact your Territory Manager for custom designs and more information.
